Compliance notes by market

United States · usually FOB

Expect aflatoxin and pesticide residue testing at entry for spices; ask us for the lab panel before shipment.

Gulf Cooperation Council · usually CIF

Aflatoxin testing on spices is commonly requested; lab panel available.

European Union · usually FOB

Aflatoxin and pesticide MRL testing is routine at EU entry for this product.

Southeast Asia · usually CIF

Aflatoxin and pesticide testing may be requested at entry; lab panel available.

- Routinely tested for aflatoxin and pesticide residues (MRLs) at US and EU entry — the lab panel is available before shipment.

HS classification is indicative; confirm with your customs broker for the destination tariff line.
