# Compliance notes by market

**United States · usually FOB**
Ethylene-oxide is not permitted as a treatment on our lots; ETO-free declarations available.

**European Union · usually FOB**
Ethylene-oxide history for Indian origin means buyers ask for batch-level ETO-free certificates; available on request.

**Gulf Cooperation Council · usually CIF**
GSO labelling: Arabic labelling requirements apply at retail; bulk industrial packs carry English labels with lot and origin.

**Southeast Asia · usually CIF**
Import permits and product registration vary by country; your importer applies, we supply matching specs and certificates.

- Ethylene oxide is never used as a treatment on our lots. Batch-level ETO-free declarations are available and are standard for EU shipments of Indian origin.

HS classification is indicative; confirm with your customs broker for the destination tariff line.
