Compliance notes by market

United States · usually FOB

FDA Food Facility Registration and Prior Notice apply to the importer's entry; we support with documentation.

Gulf Cooperation Council · usually CIF

GSO labelling: Arabic labelling requirements apply at retail; bulk industrial packs carry English labels with lot and origin.

European Union · usually FOB

EU MRL panel (pesticides) and heavy metals per Regulation (EC) 396/2005 and 2023/915 — ask for the lab panel before shipment.

Southeast Asia · usually CIF

Import permits and product registration vary by country; your importer applies, we supply matching specs and certificates.

- Conventional by default; organic-certified lots on request where available for the season.

HS classification is indicative; confirm with your customs broker for the destination tariff line.
